

CCAoNH's First Aid and CPR Submission Guide

Child Care Aware of NH receives multiple requests to have resources added to our First Aid and CPR list. Below are the criteria that an individual/business must have to be included on our list. Child Care Aware of NH reserves the right to exclude or remove providers from our list without notice or justification. CCAoNH's First Aid and CPR list will be updated once a month. This list is provided as a courtesy and is not an endorsement by Child Care Aware of NH for any particular organization or program. If you have questions about the below criteria or submission requirements, please email outreach2ccrr@snhs.org.

First Aid and CPR Provider Criteria:

- Provider must be a certified trainer for First Aid and CPR through the American Heart Association or the American Red Cross
- Must be registered as a business in NH
- Must have a valid working number
- Must recognize that First Aid and CPR are required by the Child Care Licensing Unit (CCLU) and that the training you provide will satisfy this criteria

First Aid and CPR Provider Submission Requirements:

- First Aid and CPR provider must submit a copy of their certification to teach First Aid and CPR via jpg picture or a pdf scan to outreach2ccrr@snhs.org
- Must supply valid working phone number
- Must supply business name

Failure to produce all required materials will result in exclusion for our First Aid and CPR list.
