State

- **NH Community Loan Fund Organization:** The Child Care Loan Program could potentially provide financing in an emergency for both proprietary/for-profit and non-profit programs. The loan application and approval process does take some time. <https://www.communityloanfund.org>
- **NH Charitable Foundation:** Grants and loans for non-profit organizations (grant programs have application deadlines; loan program accepts rolling applications). <https://www.nhcf.org/how-can-we-help-you/apply-for-a-grant/>

- **NH Community Development Finance Authority (CDFA):** Community Development Block Grant Program (CDBGP) is available for non-profit organizations only. The CDFa does have a provision for emergency facility grants and can provide community facility grants for planned projects. <http://www.nhcdfa.org/block-grants/types-of-grants#emergency>
- **NH Health and Education Facilities Authority (NHHEFA):** Direct loan programs are available for eligible non-profit organizations. http://www.nhhefa.com/program_directloan.html

Federal

- **The U.S. Small Business Administration (SBA)** offers affordable financial help to businesses and private non-profit organizations in declared disaster areas. SBA's disaster loans are the main federal assistance offered for the repair and rebuilding of non-farm, private sector disaster losses. This is the only SBA direct loan program and it is not limited to small businesses. Help is available in the form of low-interest, long-term loans for losses not fully covered by insurance or other means. SBA loans are only accessible through NH lending institutions listed on the SBA District Office website: <https://www.sba.gov/node/1554730/revision/1621916/view>
- **USDA Community Facility Loans and Grants** Community Facilities Direct Loan and Grant Programs: Low interest loans and small grants for non-profit facility projects located in eligible communities (< 20,000 in population). <https://www.rd.usda.gov/programs-services/community-facilities-direct-loan-grant-program/nh>
