IMPORTANT NOTICE: TEMPORARY POLICY EXTENSION
Absent Due to COVID Payment Information for
September 5, 2022 – January 1, 2023

Dear Child Care Provider:

The Bureau of Child Development and Head Start Collaboration (BCDHSC) is pleased to announce important updates to the Absent Due to COVID temporary policy change, as follows:

- 1) The policy end date was extended for CCDF and non-CCDF children from September 5 through January 1, 2023.**
- 2) As of September 5, 2022, a new allotment of 10 Absent Due to COVID days is available for all eligible children residing in New Hampshire. This allotment does not combine with the previous 10 days and is not a monthly allotment.
- 3) If staff members are absent due to the effects of a COVID vaccine and as a result, a classroom must be closed or fewer children may be served, providers may now bill for Absent Due to COVID under this emergency policy.
- 4) If a child is absent due to the effects of a COVID vaccine, providers may bill for Absent Due to COVID under this emergency policy, along with the other circumstances that are also billable.
- 5) At Home COVID Test Policy Change: At the discretion of the provider, home tests may be used as a confirmation of a child's COVID status (positive or negative). We recommend each provider review the CDC Home Test Guidelines at <https://www.cdc.gov/coronavirus/2019-ncov/testing/self-testing.html> and develop a written policy regarding COVID testing.
- 6) If a CCDF child is absent during the week due to a COVID-related absence, please do NOT web bill. You will use the COVID spreadsheet only. Please note: if you have billed a family for absences due to COVID for which you are receiving a payment through this policy, you must reimburse the family or provide the family with a credit for the amount you received for their child.**

This notice provides additional information regarding billing invoice spreadsheets and deadlines for billing, as follows:

- 1) Absent Due to COVID billing invoice spreadsheets are located at: <https://www.nh-connections.org/covid-19/financial-resources/>

- 2) **BCDHSC must receive all invoice spreadsheets for Absent Due to COVID by 5:00 p.m. on the “Due By” date shown in the table below. Invoice spreadsheets received after the deadline will not be paid.**
