

# Early Childhood Focused Collaborative Meetings

This year, CCAoNH is offering Early Childhood Focused Collaborative Meetings for Directors, Administrators, Teachers and other Early Childhood Professionals. These Meetings are group-driven to reflect the participant's needs and interests and to provide participants with

information around the focused topics listed below. In addition, participants will learn about Child Care Aware of NH program updates, essential local and State information from community partners along with other professional development opportunities.

Participants interested in attending an Early Childhood Focused Collaborative Meeting can register through the [NHCS Training Tile](#). Like our trainings, there is **NO registration window** for our Early Childhood Focused Collaborative Meetings. Check out the list below to see what Early Childhood Focused Collaborative Meetings we are hosting this year and which ones may fit your interests, needs and schedule.
