

Eligibility Transfer Requests

Once completed there is no need to file anything with CCLU. The only time you need to send anything to CCLU is when someone is required to get a complete BRC done.

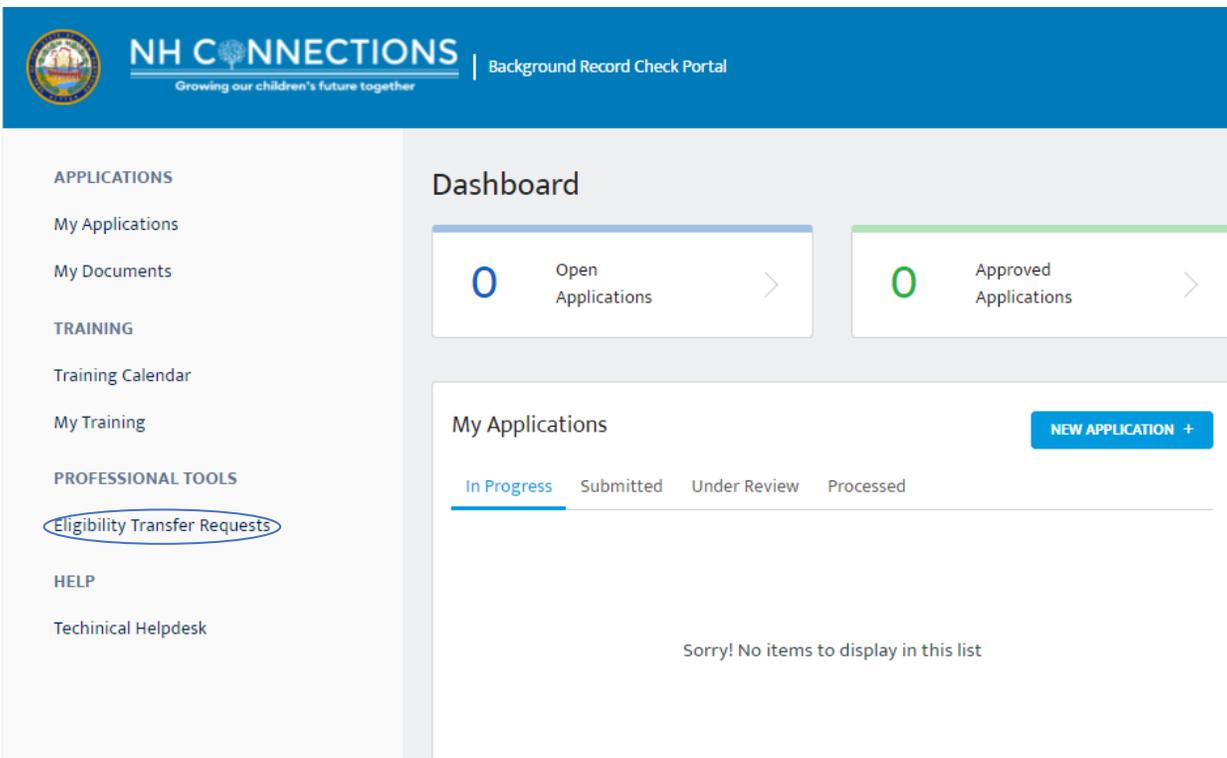

Staff should initiate their transfer request by logging into NHCIS

Once logged into NHCIS navigate to the Background Record Check tile:

The screenshot shows the NH CONNECTIONS dashboard. The header includes the logo and navigation links for Home and Support. A welcome message is displayed, along with the user's Registry ID: OONUFKNAAU. The dashboard features four main tiles: Professional Registry, Credentialing, Training, and Background Record Checks. The Background Record Checks tile is circled in blue and shows a current status of 'Pending'.

Choose Eligibility Transfer request from the menu on the left of the page:

The screenshot shows the NH CONNECTIONS Background Record Check Portal. The header includes the logo and the text 'Background Record Check Portal'. The left sidebar contains a menu with the following items: APPLICATIONS, My Applications, My Documents, TRAINING, Training Calendar, My Training, PROFESSIONAL TOOLS, Eligibility Transfer Requests (circled in blue), HELP, and Technical Helpdesk. The main content area is titled 'Dashboard' and displays two summary cards: '0 Open Applications' and '0 Approved Applications'. Below these is a section for 'My Applications' with a 'NEW APPLICATION +' button and tabs for 'In Progress', 'Submitted', 'Under Review', and 'Processed'. The 'In Progress' tab is selected, and the message 'Sorry! No items to display in this list' is shown.

Any pending eligibilities will show up here or the option to create a new request:
