1. Welcome and Overview
2. Promoting a Safe and Healthy Child Care Environment: What's the Latest?
3. State Guidance for Child Care: What Do You Need To Consider and How Can We Help?
4. The NH Child Care Recovery & Stabilization Program (CCRSP): What is It? How Do I Apply?
5. Questions & Answers

Build It Back - Better

- A healthy ECCE system is essential to NH's economic well-being.
- We have the structure and some resources to build on.
- We are creating an aligned, but unique approach to continuing to manage and reopen all child care (centers, day and overnight camps) and family resource settings.
- Rebooting the system must be done in tandem with the reopening of industries and schools.
- Funding will be directed to stabilizing the system, supporting health and safety guidelines and building the system back better.
