Recorded for

Heath, Emma - DHHS

Affiliate

Reporting and Accountability

- Twice, during funding period, status reports with use documentation October 15, 2021 and October 14, 2022
- Co-participate in data collection

IMPORTANT THINGS TO REMEMBER!

- March 17 at 11:59 PM is the deadline for applications –THIS IS NOT FIRST COME, FIRST SERVE!
- You cannot go back and change your grant after you push submit, so please carefully review it before you submit it. If you are not ready to submit that is fine, take your time and revisit!
- If you have a change that you feel will impact your funding, send us an email and we will include that in your electronic file here at DHHS.
- Please note that camps and municipal recreation programs were not part of the original system additions. Please be patient with us as we build the components, add your programs. Look for those to be done by Monday at the latest.

IMPORTANT THINGS TO REMEMBER!

- CCRSP was done through survey monkey and mostly all done by hand – time consuming. The current system is a new permanent system called the New Hampshire Connections Information System. While it comes with the challenges of any new system it is better, faster and ultimately a greater benefit for all.
- **If you are self-registering for NHCIS, please remember to select your role, “director” when registering, remember this is for the Portal not just the grant application. By selecting, applicant, you will not be linked as the director to your program and will not see the grant tile on your dashboard.**

Questions and answers
