

# “Searching for the Right Child Care” Information Session

Have questions about finding child care?

**Looking for child care? Have questions about finding a quality program? We can help!**

Join Child Care Aware of New Hampshire, a program of Southern New Hampshire Services for an informational session about finding and choosing quality child care that meets your family's needs. Learn about the types of child care that are available, New Hampshire's current quality designations and have your questions answered by our experienced Child Care Resource and Referral Outreach Specialists.

**Date:** the **third (3rd) Thursday** of every month, August through June

**Time:** this session is offered both in the evening and the afternoon, alternating months

- 1:00 PM-2:00 PM: August, October, December, February, April, and June
- 6:30 PM-7:30 PM: September, November, January, March, and May

**Location:** online through Zoom

#### **Registration Information:**

Registration is free and through Eventbrite.

On the morning of the information session an email with the Zoom link to join the session will be sent to participants.
