This is the **Community Portal** for the NH Connections Information System (NHCIS). This is where individuals working in the field of early childhood and out-of-schooltime register to access professional development, credentialing, and background checks. Administrators, approved by the Child Care Licensing Unit, have access to their staffs’ BRC eligibility status and expiration.

We call this the **Community Portal** or the **New Hampshire Connections Portal**.

**https://nhpublichealth.force.com/nhccis/s/login/?startURL=%2Fnhccis%2Fs%2F&ec=302**

**Registering for NHCIS**

If you are new to the system, you should sign up for an account as soon as possible. Please use your personal email address so you have access to this account if you change employers and use your legal first and last names. This email address will also be your username.
Register by clicking the **REGISTER** button on the left-hand side of the screen. You will land on this form to complete.

[Image of Create an account form]

Once you complete the registration form you will come to this screen. You should have an email (pictured below) in your mailbox (yours will not say “Sandbox”). If you do not see this e-mail, please check your spam folders and include it as a “trusted sender” so this e-mail will not go to your spam folder.

[Image of Verify form]

---

**Sandbox: Verification code for Registration**

Dear User, The one time password verification code for your registration is 748861. Please use this code to complete the registration process.

---

*Primary* | *Social* | *Promotions*
Once you enter your verification code you will need to answer these 4 questions to move forward. These questions are for data purposes to help DHHS get a better picture of the early childhood and out-of-schooltime workforce in New Hampshire.

Now you are in the Community Portal!
Connecting to your Child Care Program

Below you will see two squares. One says Professional Registry and the other says Training. We call these Tiles. Everyone can see these tiles upon registering.

Now to connect to the child care program you work for or plan to work for, if that applies to you.

Click on the GET STARTED box within the pink square. Once you do this you will search for the program you are planning to work at (or are already working at). Use the exact name as it appears on the program’s license, which can be found by searching for the child care program using the Child Care Search on the NH Connections Website: https://nhpublichealth.force.com/nhccis/NH_ChildCareSearch

Here is what this looks like as you enter information. There are roles within the system (such as Center Director) that require the approval of the Child Care Licensing Unit and allow you elevated access within the system. You should be in touch with your licensing coordinator about being approved per He-C 4002. If you need assistance, please call us at 603-271-9025.

When searching for your program verify the license # as seen below with an organization that has multiple programs.
Completing your Background Record Check in NHCIS

Once you are registered and connected with a child care program you will now have a Background Record Checks (BRC) Tile. You will also have a registration ID which can sometimes be helpful if you run into issues and need further assistance.

Your next step is to begin the Background Record Check Process. Once you hover over this tile you will see the VIEW DASHBOARD square. Enter this tile by clicking on this square.

Once you enter the BRC tile you will see an option to start a New Application

Please read all instructions and make sure you don’t miss any important information.
Please pay particular attention to this section and make sure you are including the required information.
One you have submitted your application you can find the application in “My Applications” in the submitted section.

In addition, you will receive an email with instructions on next steps:

Re: Background Record Check submission # 16847

Dear ,

Our records indicate that you have initiated a background record check (BRC) via the NH Connections Information System (NHCIS). If you have not yet scheduled a fingerprint appointment, go to our website for more information on scheduling your appointment.

Once your appointment is scheduled, log in to NHCIS, and click on the Background Record Check tile. Under ‘My Applications’ on the left side of the screen, click on ‘My Documents.’ This will bring you to the application currently in progress. Click on the application number, then the icon next to the form(s) to download and print.

If your fingerprint appointment was scheduled and paid for online using the Department of Safety CHRI Applicant Portal:

- Employment Eligibility Card if applicable

OR

If your fingerprint appointment was at a local police department:

- CHRI Page
- Employment Eligibility Card if applicable

Review all forms, and sign and date where required.

If your fingerprint appointment was at a local police department, you will receive an Applicant/Licensing LiveScan Fingerprinting form, which must be mailed to CCLU with the forms above. If you are required to submit an Employment Eligibility Card Application, page 2 must include the date and the location of your scheduled fingerprinting appointment.

*Submit all forms and applicable fees as noted on the forms, in one packet, directly to the Child Care Licensing Unit, 129 Pleasant Street, Concord, NH 03301.

*If your application indicated you currently live or have lived in a state other than NH in the previous 5 years you will receive another email with instructions on additional forms to be submitted. Please mail those forms WITH the information above.

What Happens Next:

- If no disqualifying convictions are identified, you will be deemed “eligible” to work and your BRC status will be updated and available to you and the program in the NH Connections Information System.
- If the BRC identifies immediate disqualifying convictions, you will receive a letter informing you that you have been deemed ineligible to work, as well as detailed information relevant to that determination. The program will not receive information regarding any disqualifying convictions, but will be notified that you are no longer eligible to work in their child care program.
- If the BRC identifies convictions that need further investigation, you will receive a letter with instructions on what to submit to CCLU and a due date for the information. Failure to respond by the due date will result in a determination of ineligible to work.

Sincerely,

Department of Health and Human Services

Re: CA/N Child Registry Check requirement for submission #15141

Dear [Recipient],

Our records indicate that you have initiated a new background record check (BRC) via the NH Connections Information System self-service portal, and have indicated that you lived in another state, other than NH, during the last five years. Therefore, there must be an abuse and neglect central registry check completed in each of those states. Click on the link below to be directed to our background check website, where you will find the required forms for each state, along with detailed instructions and fee requirements, if applicable.

Download and complete the required forms according to the instructions provided on each form. Review for completeness, and then print, sign, date, notarize when applicable, and submit with your background record check. If the required forms and applicable fees are not received then your submission will be incomplete, and the process will be deleted, subsequently impacting your eligibility to work in a child care program.

Sincerely,
Department of Health and Human Services
Child Care Licensing Unit

Phone: (603) 271-9825
Fax: (603) 271-4762
Email: CCL1147@NHDHHS.gov

Once your paperwork is received at CCLU and it is being processed your application status will change to “Under Review.” This process can take from a week to several weeks depending on results received from criminal or abuse and neglect registries. Should there be results from any of these searches you will receive a letter from us with a deadline for providing additional information. Please be sure to respond by the deadline. Failure to do so will result in being deemed ineligible.

You will also receive an email when we have received the payment and application for an eligibility card if you are required to obtain one.

DIRECTORS/PROVIDERS
Staff and household members 10-17:

- If a 10–17-year-old has lived outside of NH during any part of the last 5 years, please also submit the appropriate Out of State CAN form. You can find that here.

Your Staff Roster and BRC approval Process

You will notice in the steps above that your staff will receive an email with instructions once they submit their BRC application through NHCIS. It is important that you have them print their forms so you can mail them and any required payments to CCLU for processing. We recommend these get mailed from the program so you can ensure all steps were completed.

What you will see in your NHCIS portal

If a staff listed as eligible they have a current BRC and can work. Ineligible means they do not have a current BRC and must not be present at the program until they are deemed eligible. Staff who are new and awaiting BRC results are marked as Pending and are not eligible to work until deemed eligible.

If you have questions about the status of your staff’s application please have them check their application status as they will be able to see if it is under review or not. If you mailed documents to our office and your staff doesn’t see that their application has moved from Submitted to Under Review, and it has been more than 2 weeks, please e-mail our office for more information (cclunit@dhhs.nh.gov).

If the submission is incomplete and something additional is required, your staff will receive an email and the requirements will be mailed to the child care program for completion. Here is a sample of the email your staff will receive:

Eligibility Transfer Requests

Once completed there is no need to file anything with CCLU. The only time you need to send anything to CCLU is when someone is required to get a complete BRC done.

Staff should log into NHCIS to initiate their BRC status transfer request to a new program. Staff may remain connected to more than one program at a time.

Once logged into NHCIS navigate to the Background Record Check tile:
Choose Eligibility Transfer request from the menu on the left of the page:

Any pending eligibilities will show up here or the option to create a new request:
The Center Director or Family provider may then approve the transfer by logging into NHCHIS and entering the Background Record Check area through the tile on that home page. From there choose the Eligibility Transfer Request option the menu along the left-hand side of the page:

Once you enter that area of the roster you will have three tabs related to the status of your staff. Choose Eligibility Transfer Requests and the arrow next to the Submitted option for the person you wish to approve or deny:
From the next screen you can approve or deny the request by choosing the appropriate option.

You will receive confirmation that you want to approve this request and then the person will be added to your Active tab (you may need to refresh the screen).
The individual will receive an e-mail indicating they have been approved

If your BRC status is ineligible, you will not be able to proceed, please contact the office at 603-271-9025.

1. Click on the tile.

2. You have a Dashboard to show you the status of BRCs for individuals in your program.
3. To see detailed information, go to the Staff Roster on the left side of the screen, highlighted below:

When an individual leaves

4. There are 3 tabs, select Active to see a list of individuals the CCLU has on file as working or living in your program. When an individual leaves, click on the arrow to the right of their name to enter the date the individual left.
5. You will see the individual’s information, click on the edit screen at the top, highlighted here:

6. At the bottom of the screen, add the individual’s end date, and click Save.

Once saved, the individual is no longer visible in the Staff Roster.

**Updating Staff Roles**

7. Updating staff roles can also be done from this screen.

Keeping the Staff Roster up to date will assist with ensuring that individuals, once employed, remain current with their BRC renewals.
Updating your program profile (directors)
It is important to review this information often. The program e-mail address is where all correspondence are sent for renewal of license, visit results, and more. In addition your child care profile information is used when Child Care Aware is working with families seeking child care. The more accurate and up to date this information is the more likely the best matches will be made for families.

Navigate to the Child Care Profile Tile:

Once within your program profile make sure you update your enrollment status and program e-mail.

Proceed through each of the sections to customize what you program offers, your schedule, and what open slots you may have.

It’s recommended you visit this tile frequently to make sure your profile is up to date.
Visit Results and providing a corrective action plan (CAP)

Navigate to the [NHCIS portal](https://nhpublichealth.force.com/nhccis) and open your program through the licensing tile. Here you will see the “Non-Compliance List” option on the left hand column.

Click on the box with the # of Non Compliances to address.

You can also click on "Non Compliance List" from the menu on the left-hand side of the page.

Once on the Noncompliance page click the + sign next to the visit you wish to view to access the findings.
You will receive a PDF once the entire visit process has been completed and approved. This document should be posted in your program as required.
Completing your Licensing Applications in NHCIS (new, renewal, revision)

Once you log into the NHCIS portal you can complete your Renewal and Revision Applications from the licensing tile.

How to read this screen:

Days Remaining: the # of days until your current license is expired.

Days Remaining For Application Renewal Date: the # of days until you will be able to submit a renewal application in NHCIS.
To get started with your application choose “New Application” in the section labeled “My Applications”

Your available license applications can be found here. Open the application you are completing and get started.

The application process is straightforward but potential questions will be answered by reviewing the following steps.

Once you read through the introduction you may “Get Started” Below are various screen shots for Family Child Care and Group Child Care.
Depending on your license type you will choose the type of program you are offering (definitions of these can be found in the licensing rules).

Complete Section 2.2 with all relevant owner information and Section 2.3 with the Capacity, age ranges and months of operation for your program. The final license may be issued with different age and capacity depending on licensing, fire, health, and zoning restrictions.

Complete the section on Corporate Information if required. Upload your Secretary of State documentation of good standing. You can find your businesses documentation here: NH Secretary of State
Ownership and Household Members: If you are operating out of a home, all household members 18+ must register and complete a BRC and all children ages 10-16 must complete a Household and Personnel Form. (More information can be found on our [website](#)) For center based program please complete the information required for any director not already listed.
Documentation is required for new directors and will be asked for during the “Add a Director” process. All directors must provide a Personnel Health Form with an application.

Please provide relevant property information for your program in this next section. You must “Save Building Information” to move on. Please upload a floor plan in this section as well.
The final step is to upload required local approvals, sign and submit your application.

Troubleshooting

Browser

It is best to use the Google Chrome browser to access NHCIS.

If you don’t know what browser you are using check using https://www.whatsmybrowser.org

NHCIS was designed to work best with Chrome on a laptop or desktop PC or Mac. We highly recommend that you do not use a mobile phone, or MSEdge, Safari, Firefox, or any other browser other than Google Chrome on a laptop or desktop PC or Mac.

Cache/Incognito

We understand that it is often necessary for staff members to work closely with you - and use your computer or a shared computer - to register for and log into their NHCIS accounts. In such cases, it is a good idea to use the Incognito Mode of your Google Chrome browser before having each different user log into their account.

Because all websites store information on your computer when accessed, the "cached" information created by multiple users can sometimes result in conflicts that cause unusual errors and prevent you from completing your task. This is not a situation unique to NHCIS. If you were to have several employees or household members log into their AT&T account on the same computer, for example, you would likely encounter similar cache and cookie issues. You should also clear cache and cookies from time to time, if you use your computer to log into multiple sites related to NH Child Care.

Steps for clearing your cache:

- Close the Chrome browser, if it is still open.
- Reopen Chrome.
- At the top right, click on the 3 vertical dots in the top right corner.
- Click More tools and then select Clear browsing data.
- At the top, select the time range, "All time."
- Check the boxes next to "Cookies and other site data" AND "Cached images and files."
- Click Clear data.
- Close and reopen Chrome.
- Log in to NHCIS.
Help Desk/Support Ticket

Do know that the Help Desk is here to assist you when needed. We will work closely with you and new employees to set up their account and complete tasks as necessary. Although our team does not provide phone support, we do monitor incoming support requests continuously throughout the day, and we will respond to users' requests for help as soon as possible.

Please let us know if you have any questions, or you encounter any further difficulties.

Submitting a support ticket for a login issue

Navigate to the [NHCIS Login Page](#) and click the white “SUPPORT” button on the left hand side.

Enter your contact information.

- Select the ticket type that applies to your issue. (Login Issue, Forgot Password does not work or Forgot Username).
- Add a detailed description of the issue happening including any error messages, the browser/device used or any other relevant information.
