TYPES OF Professional Development Opportunities

Early Childhood Focused Collaboratives

Our Focused Collaboratives are monthly meetings from September to June, centered on specific topics. They foster conversations, offer professional development, and provide CCAoNH updates and State info.

Early Childhood Cohorts

Early Childhood Cohorts bring programs together to work on specific State initiatives. Participants collaborate, obtain resources, and receive training, technical assistance, and coaching in a supportive setting.

Conferences

Conferences are full-day events with keynote speakers and various trainings on topics aligned with personal professional development needs.

Trainings

Trainings are 2-3 hour professional development sessions held on nights and weekends. They cover relevant early childhood topics.

Progressive Training & TA Program

The Progressive Training and Technical Assistance (TA) Program offers individualized coaching and assistance to child care programs. Programs commit to work with CCAoNH long-term and at their own pace to improve practices related to a State Initiative.

Special Events

Special events are half-day training sessions with one or more presenters, focused on specific topics.

Technical Assistance (T.A.)

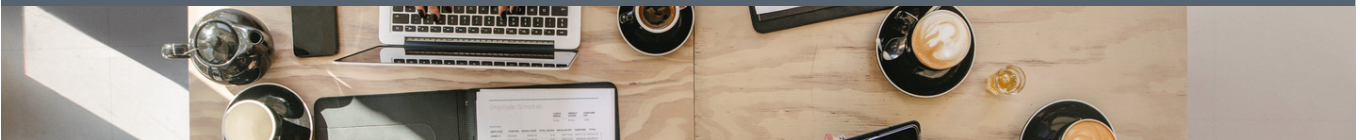

This enhanced professional development service offers invaluable support to your program through mentoring and coaching early childhood professionals on a variety of essential topics. With a **strength-based approach**, our Training and Technical Assistance Specialists focus on improving program quality by targeting State Initiatives. Whether it's via **phone, email, virtual platforms, or on-site visits**, we are here to provide technical assistance, coaching, and consultation to meet your needs effectively.

Benefits of T.A.

Outreach Services

Child Care Aware of NH's dedicated Outreach Specialists are committed to supporting families in their child care journey! Our primary objective is to ensure that families have access to comprehensive and reliable information about child care options available in New Hampshire. We understand that finding suitable quality child care can be a daunting and time-consuming task, and our team is committed to making this process easier and more efficient for our clients.

Families who reach out to us engage in a detailed conversation, allowing our specialists to compile a personalized referral list that matches their child care preferences. Alongside these referrals, we provide comprehensive consumer education to empower families in making well-informed decisions about selecting quality child care. These services are all provided at no-cost!

How Can Outreach Support Providers?

1. **Waitlist Support:** When child care providers have a waitlist or are currently at full capacity, Outreach Specialists can serve as a valuable resource for families seeking immediate care. By directing these families to our services, specialists help providers maintain positive relationships with potential clients, even when they cannot accommodate them at that moment.
2. **Enhanced Collaboration:** By educating families on the nuances of quality child care, providers can engage with more informed and involved partners in their child's development and care journey.
3. **Effective Communication:** Informed families lead to clearer communication and better alignment with a provider's services, fostering smoother interactions and family engagement.
4. **NH Connections Information System (NHCIS) Profile Updates:** While providers are encouraged to manage their NHCIS program profiles directly, our Outreach specialists are available to offer support if needed. We're here to assist you in ensuring that your program's information stays current and readily available for families exploring child care options.

T.E.A.C.H. New Hampshire

T.E.A.C.H. Early Childhood® New Hampshire (T.E.A.C.H. NH) provides comprehensive scholarships to enable early educators to take coursework leading to credentials and degrees by making it possible for them to afford both the time and expense of going to school.

Recipients enroll in courses at local colleges while working at least 30 hours per week. In exchange for receiving increased compensation, recipients also agree to remain at the sponsoring program for at least six (6) months to one (1) year following the completion of their scholarship contract. The commitment period will vary by the type of scholarship that is awarded.

T.E.A.C.H. NH offers four (4) scholarship options for teachers and family child care providers in New Hampshire.
