Dear Providers,

Recently it came to our attention that the Department must adopt rules relative to our Early Childhood Professional Development System credentialing. As we move forward with the rules development process, all fees to obtain credentials will be waived. This policy will be in effect until the rule is adopted. Although we do not have a date by which we expect the rule to pass, we will keep you informed regarding our progress and provide you with ample advance notice when credential fees will be reinstated.

If you have recently submitted a check for credential fees, we will return it to you.

As always, thank you for all of your hard work on behalf of children and families.

Warmest Regards,
